I'm not the one to tell  
you what clothes to wear  
I'm not the one who  
talks about your hair  
I'm not the one to show  
you how I feel inside  
I'm not the one to say  
how much I care

(chorus)  
Everytime you cry  
I cry just a little bit  
cry just a little bit  
When you say goodbye  
I die just a little bit  
cry just a little bit more

I know it's late  
I guess I should have called today

I know you're tired of  
waiting by the phone  
I know you said you just  
don't know how long you'll wait  
I know that you can  
live your life alone

(chorus)

In a world where there's  
no one to turn to  
In a world where you think  
there's no one but you

But everytime you need  
someone to dry your eyes  
You call my name and  
know that I'll be there

(chorus 2x)
