(j.spinks)

She was my girlfriend's girlfriend (yeah)

I woke up Â in someone's bed
I couldn't remember what happened last night
I heard a voice Â then someone said
Roll over baby Â don't be wasting my time
La la la la Â la la la la
I prayed for someone I'd recognize
La la la la Â la la la la
I didn't know that I was in for one great big surprise

She was my girlfriend's girlfriend yeah
She was my girlfriend's girl

I turned around Â unsure
She looked so good Â you could have picked me off
the floor
This is cool Â this is it
I feel so bad I can't remember what we did
La la la la Â la la la la
She said 'boy you'd better open your eyes?
La la la la Â la la la la
In walked my girlfriend Â she jumped on the other side

She was my girlfriend's girlfriend yeah
She was my girlfriend's girl

La la la la Â la la la la
She said 'boy you'd better open your eyes
La la la la Â la la la la
In walked my girlfriend Â she jumped on the other side

She was my girlfriend's girlfriend yeah
She was my girlfriend's girl

She was my girlfriend's girlfriend yeah
She was my girlfriend's girl

(repeat chorus)
