Yeah

You got me all screwed up  
so much I can't turn around  
And I've been running  
about with some funny girls  
I'm not so tough  
but if you let me down (I'll tell ya)  
I'd give you just one day to explain  
I'd like to know if there's  
somebody else in this game

(Say it isn't so)  
Tell me I'm the only one  
(Say it isn't so)  
Without you I can't go on  
(How was I to know)  
If you keep me guessing  
I don't understand

I can't sleep at night  
I keep on dreaming you're gone  
I'm staring into a space  
that was filled by  
You're facing the day  
a face in the crowd  
I'm sure I saw you  
just a moment ago  
There must be something  
you don't want me to know

(Say it isn't so)  
If you got the magic touch  
(Say it isn't so)  
One that I need so much  
(How was I to know)  
If you keep me guessing  
I don't understand

There's something wrong  
  
suspicion's getting stronger

Don't know if I can stand  
this pain much longer  
You play around but  
I see right through you

It's lonely on the streets  
when it's just one a.m.  
See a lot of pretty  
girls passing by  
I'm walking in the midnight  
sun once again  
And now I know why  
love is so blind  
'Cause when you're  
out of my sight  
I'm out of your mind

(Say it isn't so)  
Tell me I'm the only one  
(Say it isn't so)  
Without you I can't go on  
(How was I to know)  
If you keep me guessing  
I don't understand

(Say it isn't so)  
If you got the magic touch  
(Say it isn't so)  
One that I need so much  
(How was I to know)  
If you keep me guessing  
I don't understand

(Say it isn't so)  
(Say it isn't so)  
(Say it isn't so) Oh oh  
(Say it isn't so)  
(Say it isn't so) Oh oh  
(Say it isn't so)  
(Say it isn't so)
