(j. spinks)

Late last night I was sitting all alone  
You were there on the end of my phone  
I was thinking 'bout you  
You were talking 'bout us

In my mind I just wanted you there  
Run my fingers through your hair  
I was thinking 'bout you  
You were talking 'bout us

I closed my eyes cos I was out of control  
From fingers to the tip of my toes  
I was thinking 'bout you  
You were talking 'bout us

Late last night you know I needed you there  
I was sitting kinda back in my chair  
You were talking to me Â I was thinking 'bout us

All I wanted was to see you undress  
I could picture you more or less  
I was thinking 'bout you  
You were talking 'bout us

I closed my eyes cos I was out of control  
From fingers to the tip of my toes  
I was thinking 'bout you  
You were talking ? bout us oh, la, la, la, la  
Oh oh la, la, la, la

Last night it was getting kinda late  
I got the message and you knew I couldn? t wait  
I was thinking ? bout you Â you were talking 'bout us

I closed my eyes cos I was out of control  
From fingers to the tip of my toes  
I was thinking 'bout you  
You were talking 'bout us  
That? s you and me babe

I was thinking 'bout you Â you were talking 'bout us  
I was thinking 'bout you Â you were talking 'bout us
