Staying up all night - this could be a party  
I've got some friends outside - looking for a good time  
You better head my way - this is where it's starting  
No rules - no laws - tonight you're gonna stay

(chorus)

Hey girl hold me tight - the night ain't over  
Hey girl hit that light- the night ain't over

I'm staying up all night - this could a showdown  
I've got this thing inside - telling me don't run and hide  
And there's so many roads - only you can go down  
Don't close - your eyes - there just might be another  
way

(chorus)

Ooh I might be losing my soul  
But life's only fun when it's dangerous  
And I don't wanna be told  
I won't play safe and start growing old

It's five in the morning  
And I can feel the beads of sweat  
Running down the back of my neck  
It's so good to be with you again  
Oo-oo-oo

Someday - wait and see  
This will be just a memory  
And I'll look back with no regrets  
Good times like this I can't forget

(chorus)
