J. spinks

It's just a matter of time

So don't walk away

This all means nothing without you

That's all I can say

You know you'd break my hear - if you

Push my love away

But I can't wait another day

Tonight you're mine girl

It's just a matter of time

So don't you forget it

You've told me so many times

That I won't regret it

Some things are easy to do - yet they're

Still so hard to say

But I can't wait another day

If there's no light and you can't see

Down the end of this road

I'll be a voice in the darkness

I'll still be there if your dreams overload

It's just a matter of time

I'm not pretending

Oh this happens once in a lifetime

And I don't see it ending

There's nothing else I can do - because you

Make me feel this way

Cos I can't wait another day

Tonight you're mine girl
