Chorus: repeat 2X (sung)

I know you're waitin for daddy, it won't be long shawty
Be patient cause I'm comin to you
Ridin dirty on 85, slow, takin it easy
I don't want nothin to keep me from you

[J-Bo]

Now the wind blows as I'm on 85, and chiefin good
with a six-pack a that Colt 45 just like I should
And if I could, I will, I might, get blowed tonight
If thangs go right, I'm gon' cut this hoe tonight
So I'ma get a call, from this broad
Run the game like she ain't ready
But still indeed, she on her knees, keepin thangs
steady
like Betty Crocker, the face doctor
just as she swallows with passion
So now she braggin, laggin behind
What questions she now be askin, so time is passin
Now I'm mashin on, I'm gone, livin in the world of hoes
So I suppose, it's goin down deep in yo' city
Cause in these parts, ain't nuthin bad hard times
Now shawty, please, really

Chorus

[Big Boi]

Sheeeit
I'm lookin for anythang, gonna cut'em up
like everythang, in my stable
Sir Lucius, with the left foot, is ready willing and able
But these hoes will get on your nerves
Fuck all that kickin 'em to the curb

You lackin that tolerance
