"A Bad Note"

[Andre 3000]

A bad note ain't no bad note
If it's a good note
A bad note ain't no bad note
If it's a good note
A bad note ain't no bad note
If it's a good note
A bad note ain't no bad note
If it's a good note
A bad note ain't no bad note
If it's a good note
A bad note ain't no bad note
If it's a good note
A bad note ain't no bad note
If it's a good note
A bad note ain't no bad note
If it's a good note
A bad note ain't no bad note
If it's a good note
