I never had a journey quite like this before
now that you are, walking right through my door (I
wanna see you again)

[Chorus: Lenny Kravitz (Andre3000)]

All of my life, where have you been (dont you know we could win)

and if i take times, I know we could win (dont you know we could win)

I wonder if ill ever see you again, (I wanna see you again)

[Lenny Kravitz (Andre3000)]

The sacred gift of heaven, for better worse wherever
And i will let somebody break it down, watch how you cry

Neee-ver (I wanna see you again)

[Lenny Kravitz]

Ive gone through time, ive always known, that you were there

upon your thrown, a lonely queen, without a king

ive longed for you, my love for ever

[Big Boi]

Ladies say forever, as a tony he say maybe

Cuz when you show emotion, some young ladies think its gravy

Thinkin the Hillary Clinton, not to mention, and she got
yo baby
Your connection to this woman, makes you tingly
conversating
You think about that pussy 24/7
365 duce four, straight pimpin you in heaven
pousedta play ya post close up, then you make the
most of
a situation thats raft-racing, then theres always ???
Yeaaaaah

[Chorus] x2

[Lenny Kravitz] x4

I wonder if i-i ever see you again, (I wanna see you
again)
