Well, it's the M I crooked letter, ain't no one better
And when I'm on the microphone you best to wear your
sweater
'Cause I'm cooler than a polar bear's toenails
Oh Hell, there he go again talkin' that shit

Bend, corners like I was a curve, I struck a nerve
And now you 'bout to see this Southern playa serve
I heard it's not where you're from but where you pay
rent
Then I heard it's not what you make but how much you
spend

You got me bent like elbows, amongst other things, but
I'm not worried
'Cause when we step up in the party, like I'm out you
scurry
So go get your fuckin' shine box and your sack of
nickles
It tickles to see you try to be like Mr. Pickles

Daddy fat sacks, B I G B O I
It's that same motherfucka that took them knuckles to
your eye
And I try, to warn you not to test but you don't listen
Givin' the shout out to my Uncle Donnel locked up in
prison

Now throw your hands in the air
And wave 'em like you just don't care
And if you like fish and grits and all that pimp shit
Everybody let me hear you say oh yea yer

Now throw your hands in the air
And wave 'em like you just don't care
And if you like fish and grits and all that pimp shit
Everybody let me hear you say oh yea yer

Now, my oral demonstration be like clitoral stimulation
To the female gender, ain't nothin' better
Let me know when it's wet enough to enter
If not I'll wait, because the future of the world depends

on

If or if not the child we raise gon' have that nigga
syndrome
Or will it know to be the hard regardless of the skintone
Or will it feel that if we tune it, it just might get picked
on
Or will it give a fuck about what others say and get
gone

The alienators 'cause we different keep your hands to
the sky
Like Sounds of Blackness when I practice what I preach
and don't lie
I'll be the baker and the maker of the piece of my pie
Now breaker, breaker 10-4 can I get some reply? Now
everybody say

Now throw your hands in the air
And wave 'em like you just don't care
And if you like fish and grits and all that pimp shit
Everybody let me hear you say oh yea yer

Now throw your hands in the air
And wave 'em like you just don't care
And if you like fish and grits and all that pimp shit
Everybody let me hear you say oh yea yer

Everyday I sit while my nigga be in school
Thinkin' about the second album at the Dungeon
shootin' pool
Like E S to the P N, 'cause we adjust to the beat in the
zone
Honey I'm home but I'm not married

Carried a lot of problems around being frustrated
And now I'm sittin' at the end of the month I just made
it
Like you made the B team and like
The daddy's wife you makin' the coffee
You heard the ATLiens so back the hell up off me

Softly as if I played piano in the dark
Found a way to channel my anger not to embark
The world's a stage and everybody gots to play they
part
God works in mysterious ways so when he starts

The job of speakin' through us we be so sincere with
this here
No drugs or alcohol so I can get the signal clear as day

Put my Glock away I got a stronger weapon
That never runs out of ammunition so I'm ready for
war, okay?

Now throw your hands in the air
And wave 'em like you just don't care
And if you like fish and grits and all that pimp shit
Everybody let me hear you say oh yea yer

Now throw your hands in the air
And wave 'em like you just don't care
And if you like fish and grits and all that pimp shit
Everybody let me hear you say oh yea yer
