

Outkast "Church"

Visit "[Church](#)" on MotoLyrics.com

Man, have you ever really wondered
Like why are we here? What the meanin to all of this?

[Chorus: Big Boi]

Sometimes life can keep you down, with your face all in
the dirt

(HALL-LE-LU-JAH)

Now if you feel that left behind, need to get up and go
to church

(HALL-LE-LU-JAH)

Ooooh, ooooh, ooooh, ooooh, ooooh, ooooh, ooooh,
ooooh

(HALL-LE-LU-JAH)

Ooooh, ooooh, ooooh, ooooh..

(HALL-LE, LU-JAH)

[Verse One: Big Boi]

Big, slide into the mode, time to drop a load
My life is goin downhill like some cardboard in the
snow

My bank account is frozen, I
don't think that I can get out this hole

Feel like the figure four leglock

Like the jury went away and then they came back
deadlocked

I can't move, I can't eat, I can't even breathe
Can't even buy a decent sack without the stems and the
seeds

No trees, no P's to ease the stress of everyday livin
But homeless people gotta suck it up wherever they
livin

The unforgiven or the unwillin, live a life of sinnin
And expect to be as pure as an infant in the beginnin

[Interlude]

But what about repentance?

What about detention?

What about you eating dinner in the devil's kitchen?

But what about repentance?

What about committing the same sin
over and over again and again and ah..

[Hook - singers]

Why are we here? Huh? Huh? Huh?
Please tell me - what are we here fooooooooooooooooooooo?
OW!

[Verse Two: Big Boi]

Life, is nothin but a dream, so peaceful and serene
Unless you're bein evil then you on the devil's team
Well I receive what you want to believe
But soon you'll have to sew those bad seeds
Please, any man can ask, to get a pass
or a cleansing of sin to grant another chance
Perhaps another glance of the light at the end of the
tunnel
Talk to the coach or break out the huddle
Whatever should you fumble your rebuttal should be
subtle
Cause he who lives in the upper room is never gullible
As you survey the syllables and sentences
The question that I'm merely tryin to pose is as simple
as me sayin

[Interlude]

[Chorus (minus HALL-LE-LU-JAH singers)]

[Hook]

[ad libs to the end]
