Verse One: Andre

Yessuh

Let me dig into your brain, folks fallin like rain
Property got me sellin thangs, guess I'm gon' explain
Jane is rolled up, no gangs be throwed up
But still Andre got action, they Sweat like Keith, all on
my teeth
I take it upon myself to handle mine, thinkin that you
gots ample to do this have you shot I thought you knew
this
I'm crumblin', no time for fumblin sellin my sacks
watchin my back
Wettin em up like splish, leavin em in a splash
of blood, the clock is tickin niggaz from my block is
missin
I'm puttin it down like it be hot before we all get shot
Got, only so much time in this bastard
Bitter be claimin broke but I be sayin they pro-cras-ti-
natin
Settlin for less, bet' be ready
when they roll up in your nest and, sink one in your
chest and
youse gone, up outta here for good
Y'all be bobbin back and forth to let me know you
understood
Yeah, whassup

Chorus:

There's only so much time left in this crazy world
I'm just crumblin' erb, I'm just crumblin' erb
Niggaz can't let niggaz they don't understand (what's
the master plan)
I'm just crumblin' erb, I'm just crumblin' erb

Verse Two: Big Boi

So check me out, see
Once in a while when niggaz be tryin to test me I gets
frisky
Grab a pint of golden whiskey then they swing but shit
they missed me huh
I'm gettin nice with them thangs, because I do like that

You heard me on the radio and yes my man I'm true to
dat
I run my lyrics the way y'all wanna hear em
And shoot my dice like it's the brick the way that wall
done flicks em
Nigga, so ring around the roses diamonds around my
neck from flexin
But I'm runnin niggaz over like a ninety-fo' Lexus, test it
Ten millim
