How ya'll feelin' tonight?
I don't give a damn

[Verse 1]

Mama i'm leavin' way from home to join the circus
And papa i go into that place where them clowns get
down (get down)
Sister i know that there are lions tigers and bears
I'll be safe and sure to call ya'll when i get there

[Chorus]

Nothing but the greatest show on earth
(shut up while i'm singing) step right up step right up
come one come all
What u want what u need
Wanna drank wanna chief
I got it yeah i got it

Mama i'm moving up and i'll be selling cotton candy
And papa next week they'll let me sit on the trapeze-

And every night i get to sleep under the big top
