[Andre 3000 Speaking]

Ahhhh I stank I can, I stank I can  
The funky engine that could  
Oooo oooo yosky, wosky, pisky, wisky  
All aboard the Stankonia Express  
The underground smell road  
Everybody's lookin' for an excuse to let loose  
What's your locomotive, the chatter and the choo choo

[Hook:Andre 3000 and Erykah Badu]

Humble as a mumble in the jungle  
Of shouts and screams  
That's the way the cracker crumbles  
So I guess I've got to re-route my dreams  
[Repeat]

[Big Boi]

Back on the microphone, your number one controller  
I rock the microphone like a blizzard;  
I'm so cold I'm tryin' to hold ya  
Life is like a great big roller coaster  
Everything in life don't happen like it's suppose to  
Trials and tribulations make you stronger live longer  
You wanna reach the nation nigga start from ya corner  
Everything in life don't always happen like you plan it  
Demand it; over stand it then you handle it  
Fuck wishing you, you missing the ambition on your  
mission  
Now you switching why you quitting 'cause it's heated  
in the kitchen  
Sloppy slipping in your pimping nigga  
You either pistol whoop the nigga or you choke the  
trigger  
You've got to follow through, struggle to complete your  
dreams  
"No Weapon Formed Against Prospers" 54:17  
From Isaiah lay a nigga down and spray 'em  
If the dealer dealt a fucked up hand of cards you've  
gotta play 'em

[Hook]

[Andre 3000]

Too Democratic, Republic fuck it  
We chicken nugget, we dip in the sauce like mop and  
bucket  
Blue-collar scholars, who'll take your dollar and wipe  
my ass wit it  
You living for the lotto never hit it, I met a critic  
I made her shit her draws  
She said she tough Hip Hop was only guns and alcohol  
I said "Oh hell naw!" but yet it's that too  
You can't discrimahate because you done read a book  
or 2  
What if I looked at you in a microscope saw all the dirty  
organisms  
Living in your closet would I stop and would I pause it  
"whoo"  
To put that bitch in slower motion, got the potion and  
the antidote  
And a quote for collision the decision  
Is do you want to live or wanna exist  
The game changes everyday so obsolete is the fist and  
marches  
Speeches only reaches those who already know about  
it  
This is how we go about it

[Hook]

[Erykah Badu]

I'm wild just like a rock, a stone, a tree  
And I'm free, just like the wind the breeze that blows  
And I flow, just like a brook, a stream, the rain  
And I fly, just like a bird up in the sky  
And I'll surely die, just like a flower plucked  
And dragged away and thrown away  
And then 1 day it turns to clay  
It blows away, it finds a ray, it finds its way  
And there it lays until the rain and sun  
Then I breathe, just like the wind the breeze that blows  
And I grow, just like a baby breastfeeding  
And it's beautiful, that's life and that's life  
And that's life and that's life

[Hook]

[Andre 3000 Speaking]

Humble as a mumble in the jungle  
Of shouts and screams  
That's the way the cracker crumbles So I guess I've  
gotta re-route my dreams Y'all can't harm me, it's over
