This is dedicated to the lover  
(To the lover)  
In you, in you, in you  
I can't wait, I can't wait  
I can't wait, no can't wait

Leather in the summer, silk in the winter  
This is such an art, where do I begin uh  
Used to sing tenor, in the church choir  
Really I was flexin', but the girls they were fine

I'm the type of guy that notice subtle signs  
When I cuddle mine, she ain't even tryin'  
To look sexy, but even if she was so what  
Mother fucker grow up, don't mean to be so abrupt

But that lets me, know that she's a human being  
And being human's hard, on the boulevard  
Girl you got it bad, glad I'm not one  
But yet you got it good, you are the hot one

But I'm Andre, Benjamin Andre to be exact  
You hoped to meet a gentleman one day, well this is  
that  
In fact, Dookie introduced at a show  
About a year or so ago, I don't know, mind slips me

I'm in the southern states, you know where all the  
pimps be  
Dressin all boogey and carryin' ugly cups  
And yes you're gettin' boosed if your shit does not get  
down  
And yes you're gettin' sued by women who didn't get  
up

Out their seat on the bus, and feet shouldn't rust  
And beat is a must, and we shouldn't lust  
But we do, I'm laughin' at the calendars and clocks  
Ask Scott to match the socks, what's in your  
'Speakerbox Pink and Blue'

You're lolly gaggin', you're slow pokin'

You got me open, you're playin' wit me, darlin' I'm not a  
toy  
As if I need a baker bring's the joy, you're a kiner  
The Tyner meanin' the real McCoy I can't wait  
I can't wait, I can't wait, I can't wait, no can't wait

Ooo baby, come on, got plans tonight  
(Plans tonight, plans tonight, plans tonight, plans  
tonight)  
Anticipated, the love and I'm gone get it till the mornin'  
light  
(Mornin' light, mornin' light, mornin' light, mornin' light)  
Come on baby

I can't wait  
(The way you love me)  
I can't wait  
(The way you touch me)  
I can't wait  
(I can feel it)

I can't wait  
(All over me)  
I can't wait  
(Come on baby)  
I can't wait  
(Please come home)  
I can't wait  
(Tonight)  
I can't wait  
(Whoo)

For your time, you're so fine you're always on my mind  
Cuz baby I can't wait, I can't wait I can't wait, no can't  
wait  
I'm so glad I found you I just wanna be around you  
I can't wait, I can't wait I can't wait, no can't wait

Ooo it's been too long now baby let's seize the night  
(Seize the night, seize the night, seize the night, seize  
the night)  
'Cuz I'm gonna take you on a journey  
Enjoy the ride  
(Enjoy the ride, enjoy the ride, enjoy the ride, enjoy the  
ride)

Enjoy the ride, up and down  
(Ooo baby)  
Up and down  
(Whoo lady)  
Round and round

(Take it)  
Round and round  
(Whoo)

For your time, you're so fine you're always on my mind  
'Cuz baby I can't wait, I can't wait I can't wait, no can't  
wait  
I'm so glad I found you I just wanna be around you  
I can't wait, I can't wait I can't wait, no can't wait

This is dedicated to the lover  
(To the lover)  
In you, in you, in you  
This is dedicated to the lover  
(To the lover)  
In you, in you, in you

So, luscious she's the real deal, but even he get's ancy  
Some honeys try to 'Kill Bill' beneath the underpants  
see  
But patients is the virtual to being anxious, just might  
hurt you  
Like Mike Vick returning to the line of scrimmage too  
soon

A line of nigga's tryin' get in vengeance on a full moon  
Should I play it cool, or be the one to make the first  
move?  
Anticipatin', and contemplatin', she got you sprang  
dude  
Shit, I'm fin to get her might emit her, what you gone  
do?  
(What?)

I tell you what, we wont be fallin' for that one, two  
Just kinky sex up off in the boom boom if she want to  
And if she don't, then I'll dial another date  
That means find another face to replace, 'cuz I can't  
wait

This is dedicated to the lover  
(To the lover)  
In you, in you, in you  
I can't wait, I can't wait  
I can't wait, no can't wait

This is dedicated to the lover  
(To the lover)  
In you, in you, in you  
I can't wait, I can't wait  
I can't wait, no can't wait
