Boom boom boom
(Breathin')

Ready for action nip it in the butt
Never relaxin', Outkast is everlastin'
Not clashing not at all
But see my nigga went and did a lil' actin'

That's for anyone askin' give me one pass 'em
Drip, drip, drop there goes a nerdgasim
Now you comin' out the side of your face
We tappin' right into your memory bank
(Thanks)

So click it or ticket let's see your seatbelt fastin'
Trunk rattlin' like 2 midgets in the backseat wrasslin'
Speaker box vibrate the tag
Make it sound like aluminum cans in a bag

But I know y'all wanted that 808
Can you feel the B A S S bass?
But I know y'all wanted that 808
Can you feel the B A S S bass?

I like the way you move
(Whoa)
I like the way you move
(Whoa)
I love the way you move
I love the way
I love the way

I like the way you move
(Whoa)
I like the way you move
(Whoa)
I love the way you move
(Whoa)
I love the way
I love the way

The whole room feel silent

The girls all paused wit glee
Turned left, turned right
All they lookin' at me

But I was lookin' at them
There, there on the dance floor
Now they got me in the middle
Feelin' like a man whore

Specially the big girl
Big girls need love too
No discrimination dis world
So keep your hands off my cheeks

Let me study how you ride the beat
(Ya big freak)
Skinny slim women get the chemical within them
You can hump them, lift them, bend 'em, give them
Something to remember

Heldout timber when you fall through to chop shop
Take a deep breath exhale
Your exhale friend boyfriend was borin' as hell
But let me listen to the story you tell and
We can make moves like a person in jail
(On the low)

I like the way you move
(Whoa)
I like the way you move
(Whoa)
I love the way you move
I love the way
I love the way

I like the way you move
(Whoa)
I like the way you move
(Whoa)
I love the way you move
(Whoa)
I love the way
I love the way

Hey baby, girl don't you stop it
Comin' on lady dance all on me
Look so fine, look so fine
(Look so fine)

Driven me outta my mind, outta my mind
(Outta my mind, oh baby)

If I could I would just be with you baby
(Oh)
'Cuz you love me and excite me and
Ya know, ya got me baby
(Oh)
