In Your Dreams

[Chorus Janelle Monae (Sleepy Brown)]

We spend summer dreaming when we coulda be
leaving [Whoo]
(Out here wil'n don't give a fuck)
(See you when the sun come up)
I guess I'll catch you in your dreams
I guess I'll catch you in your dreams
(Out here wil'n don't give a fuck)
(See you when the sun come up)
I guess I'll catch you in your dreams

[Verse 1 Big Boi]

The moon is now my sun, and my nights are now my
days
Nocturnal creature by habit Bruce Wayne know what I
mean
I mean I'm in between sunset and sunrise
As a dawn type of nigga for the home invasion surprise
prize
Mother fucker Pow! Pow! Lay fuck down now,
Now no, don't try to talk your way out because I'm
usually
Non violent positively vibing, but every now and then
you got a
Nigga wanna try
Why? I don't know, I don't even understand it
But it's simply overstood
How you really ?pose the hand it,
Pardon me one moment I just went
Off on a tangent ha ha ha ha

[Chorus Janelle Monae (Sleepy Brown)]

We spend summer dreaming when we coulda be
leaving [Whoo]
(Out here wil'n don't give a fuck)
(See you when the sun come up)
I guess I'll catch you in your dreams
I guess I'll catch you in your dreams

(Out here wil'n don't give a fuck)
(See you when the sun come up)
I guess I'll catch you in your dreams

[Verse 2 Killa Mike]

Typical day off in the A [aye]
But nicks on the Chevrolet, [aye]
Nigga wanna rob okay, okay

Keep looking at me what a Gangsta grill

I'm gonna give your ass a Gangsta's pill
That's a little piece of lead, taken to the head
That nigga ain't live that nigga there dead
Taken dirt naps, sleeping with the fishes,
Done like dishes, It's a wrap like Christmas
Big Boi you said a word I'll make these niggas dreams
a nightmare
I will bust there motherfucker head ha ha ha

[Chorus Janelle Monae (Sleepy Brown)]

We spend summer dreaming when we coulda be
leaving [Whoo]

(See you when the sun come up)
I guess I'll catch you in your dreams
I guess I'll catch you in your dreams
(Out here wil'n don't give a fuck)
(See you when the sun come up)
I guess I'll catch you in your dreams

[Bridge Sleepy Brown]

We riding (riding), killing (killing), feeling, straight

Out here wil'n don't give a fuck see you when the sun
come up
We roasting (roasting), boasting (boasting), flowing,
straight coasting
Out here wil'n don't give a fuck see you when the sun
come up

[As The Wheels]

Keep spinning (spinning), we grinning, (grinning),
binning, straight pimping
Out here wil'n don't give a fuck see you when the sun

Out here wil'n don't give a fuck see you when the sun
come up (oh)

[Chorus Janelle Monae (Sleepy Brown)

(See you when the sun come up)
I guess I'll catch you in your dreams
I guess I'll catch you in your dreams
I guess I'll catch you in your dreams
