We spend summer dreaming
When we could be leaving

Out here whilin', don't give a fuck
See you when the sun come up
(I guess I'll catch you in your dream)
(I guess I'll catch you in your dream)

Out here whilin', don't give a fuck
See you when the sun come up
(I guess I'll catch you in your dream)

The moon is now my sun and my nights are now my
days
Nocturnal creature by habit, Bruce Wayne know what I
mean
I mean I'm in between sunset and sunrise
That's a dawn type a nigga for the home invasion
surprise prise

Motherfucker, pow pow! Lay the fuck down now
Now naw, don't try and talk your way out
Because I'm usually non-violent, positively vibin'
But every now and then you got a nigga wanna try ya

Why? I don't know, I don't even understand it
But it's simply overstood how you really 'pose to hand it
Pardon me one moment, I just went off on a tangent

We spend summer dreaming
When we could be leaving

Out here whilin', don't give a fuck
See you when the sun come up
(I guess I'll catch you in your dream)
(I guess I'll catch you in your dream)

Out here whilin', don't give a fuck
See you when the sun come up
(I guess I'll catch you in your dream)

Typical day off in the A, aye

But nicks on the Chevrolet, aye
Nigger wanna rob okay, okay
Way Stan is way late, aye

Keep lookin' at me with a gangster grill
And I'm gonna give yo' ass a gangster spill
That's a little piece of lead, taken to the head
That nigger ain't live, that nigger there dead

Taken dirt naps, sleepin' with the fishes
Done like dishes, it's a wrap like Christmas
Big Boi, you say the word I'll make these niggers'
dreams a nightmare
I will bust they motherfuckin' head

We spend summer dreaming
When we could be leaving

Out here whilin', don't give a fuck
See you when the sun come up
(I guess I'll catch you in your dream)
(I guess I'll catch you in your dream)

Out here whilin', don't give a fuck
See you when the sun come up
(I guess I'll catch you in your dream)

You're ridin', killin'
Feelin', straight chillin'
Out here whilin', don't give a fuck
See you when the sun come up

We roastin', boastin'
Flowin', straight coastin'
Out here whilin', don't give a fuck
See you when the sun come up
That's the way it is

Keep spinnin', we grinnin'
Binnin', straight pimpin'
Out here whilin', don't give a fuck
See you when the sun come up

An' we knowin', holdin'
Showin', controllin'
Out here whilin', don't give a fuck
See you when the sun come up

We spend summer dreaming
When we could be leaving

Out here whilin', don't give a fuck
See you when the sun come up
(I guess I'll catch you in your dream)
(I guess I'll catch you in your dream)

Out here whilin', don't give a fuck
See you when the sun come up
(I guess I'll catch you in your dream)
(I guess I'll catch you in your dream)
(I guess I'll catch you in your dream)
