She's always on my mind
And I think about her endlessly
I wake up every night
Dreaming she was next to me

Well, I've heard it all before
I know relationships don't las for you
It's true, what's different now
She's got a way, so tell us how

Well, it's just the way she does her things
It makes me wonder what to do, oh(wonder what to do)
Oh, what a funny girl could tear a nice guy's heart in
two, yeah...

Is it love
That is taking me higher
Is it love
That is turning my gray skies blue
Is it love
That is your desire
Oh, desire that I believe is true
Is it love

I can't understand the way you feel
I can't remember when i felt a love that was so real
Oh no, she makes your heart pitter patter and nothing
else matters
I think that you should take it day by day (Day by day)
I know this could be the one lover for me
I can't believe you treat me this way

Well, it's just the way she does her things
It makes me wonder what to do (What a wonder to do),
oh...
Oh what a funny girl could tear a nice guy's heart in
two, yeah...

Is it love that is taking me higher
Is it love that is turning my gray skies blue
Is it love that is your desire

Look in my eyes and you'll see it's true
Is it love

Love, is it love (I can't believe you're just in love)
I can't believe that you're in love
Love, is it love
I can't believe that you're in love

1-2-3-4-5-6, do it

Hey, well, it's just a day I feel this way
I want to be with you (Want to be with you), yeah
Oh, what a funny girl could tear a nice guy's heart in
two, yeah...

Is it love that is taking me higher
Is it love that is turning my gray skies blue
Do you think it could last forever, oh...
Deep inside I believe

Inside your mind you think that I'm crazy
Told a lie and then you played
I don't believe a word you say
Now what I feel is real, believe in me
I've heard it all a thousand times
My love is real and genuine
I've been crying, I'm trying to lose the love
Won't deny it, I know (I know, I know, I know, I know)

(He's falling) I'm falling in love (In love)
Pop to pop, whoa...oh...oh...
Pop to pop, whoa...oh...oh...
I feel it growing and growing, it's growing
Watch it, I'm growing, jump in
Higher and higher
When you're looking tired, just feel
The bass can be louder, the people clapping with power
Just say, "TKA is in the house"
