And now, Kim and Cookie

Ring-ring
Say hello Cookie
Hello
Girl, I got somethin' to tell ya
Spill it girl, spill it
Remember ol boi, at the club
From last night?
Last night!
Wassup
Went home with the mothafucka
Now I'm thinkin' I'm feelin' to goddamn get my ass to'
up!
(To' up!)
But girl
What?
Dick so short
(Short!)

Came quick, he got his, I ain't get mines, I'm like fuck!
(Fuck!)
You know you talkin' all this goddamn shit and you ain't
shit
You know I got you a mothafuckin' minute man
A minute mothafuckin' man
(Mothafuckin' minute man!)
But it's all good you know what I'm sayin'
'Cause before I goddamn left this mothafucka
I hit this mothafucka up for erythang you hear me
I'm talkin' 'bout wallet, I'm talkin' 'bout credit cards,
money
And you what I was gona hit him up for his goddamn
pistol
But I ain't know how many mothafuckn bodies
He had on that mothafucka, you feel me
(I feel ya)
Well, it's all good

Break!
