Murton Angel- Outkast

In the eye of the storm
lookin' out through the rain
Gabriel, blow your horn
They shoot me from tsunamies and the hurricane

CHORUS

Gangster ride, ride in the nick of time
So does delfonic and it'll blow your mind
Bold ass soldiers marchin of to war
No idea what we in for
Powerful,magnificent and so divine
So does delfonic and it'll blow your mind
Yeah

In a thunderous voice
Certain there will be no peace
Until our people rejoice
Where every boy and girl is freed
You see us goin down
The war is in the mysteries
But my friends, there'll be better days in a better way
According to the phrophesies

It would be so nice
To look up at paradise(paradise)
Always we must go
Are you in the low(the low)

Like a ray of sunshine
Ooh you've been a friend of mine

CHORUS

Gangster ride, ride in the nick of time
So does delfonic and then they blow your mind
Bold ass soldiers marchin off to war
No idea what we in for
Powerful,magnificent and so divine
So does delfonic and it'll blow your mind
Yeah,yeah,yeah

Ooh you've been a friend of mine

It would be so nice
To look up at paradise(paradise)
Always we must go
Are you in the low(the low)
Like a ray of sunshine

Ooh,oooh,ah,ah,oooh,well you heard me
mmmm,oooh,mm
There'll be better yes there will yes there will
