(feat. Whild Peach)

[Verse 1]

In the eye of the storm
Looking out through the rain
Gabriel blow your horn
Then shield me from tsunamis and the hurricane

[Chorus]

Gangsta ride ride in the nick of time
Soldiers stay affronted then they blow your mind
Bold ass soldiers marching off to war
No idea what they fightin for
Powerful magnificent and so divine
So damn funny it'll blow your mind

[Verse 2]

In a thunderous voice
Shouting there will be no peace
Until our people rejoice
When every boy and girl is free
You see it's going down
The wars and the mysteries
But my friends they'll be better days
And a better way
According to the prophecy

[Bridge]

It would be so nice
To hook up in paradise
But all these things must go
Or are you in the know
Like a ray of sunshine

You been a friend of mine

[Chorus]

You been a friend of mine

[Bridge]
