I hope that you're the one
If not you are the prototype
We'll tiptoe to the sun
And do thangs I know you like

I think I'm in love again
I think I'm in love again

Today must be my lucky day baby
You are the prototype
Do somethin' out of the ordinary
Like catch a matinee baby
You are the prototype
I think I

I think I'm in love again
I think I'm in love again

If we happen to part
Lord knows I don't want that but hey
We can't be mad at God
We met today for a reason
I think I'm on the right track

I think I'm in love again
I think I'm in love again

Let's go let's go
To the movies
Come here, love come here
I said come here, come here

I think I'm in love again
Girl right now say
I think I'm in love again
I wanna say, I wanna say stank you
Stank you
Very much
Very much
For pickin' me up and bringin me back I been so
I think im in love again
I can't I'm not I can't afford to not record

I think I'm in love again

I think I wanna say

I think I wanna say stank you

Stank you smelly much

I think I'm in love again

For pickin' me, for pickin' me out of this world

Stank you very much

I think I'm in love again

Stank you very much

I think I'm in love again

Stank you very much

I think I'm in love again
