[breathing hard]

Okay, here we go

[Andre 3000 - singing]

Yeah I'm afraid, like I'm scared as a dog

But I've got a new song, and I want y'all to sang  
alooooooooong

Sang aloooooooooong..

See this is the way that we walk on a sunny, day  
when it's rainin inside and you're, all aloooooooooone  
All aloooooooooone - yeah!

[Chorus: OutKast - singing]

Cause the whole, world, loves it when you don't get  
down

(Bah bah-da, bah bah bah-da da)

And the whole, world, loves it when you make that  
sound

(Bah bah-da, bah bah bah-da da)

And the whole, world, loves it when you're in the news

(Bah bah-da, bah bah bah-da da)

And the whole, world, loves it when you sang the blues

(Bah bah-da, bah bah bah-da da)

[Andre 3000]

Take a little trip, hater pack up yo' mind

Look forward not behind, then you'll see what you find

I caught a sucker dyin cause he thought could rhyme

Now if his momma is a quarter daughter must be a  
dime

I gotta meet her, don't take no shorts I don't use  
abbrevi-

-ation, I don't even play the radio neither

Only if I need to know the sports or the weather

I'm a cool type of brother but yep, your head I'll sever  
from the neck - see ain't nuttin changed, hit the stage

Set a date sucker, in battle we can engage

I'll slice you, wife you, marry you, divorce you

Throw the Porsche at you, is what I'm forced to do

With my back against the wall, crack his back y'all

Naw, it ain't went nowhere like havin hair with stylin gel

in it  
Throw a curl in it  
Dread that nappy shit up, throw a shell in it  
Whatever floats your boat, or finds your lost remote  
And this for dem niggaz workin at the airpo't  
who got laid off, I take my shades off  
If you look straight in my eyes, you still might see a  
disguise  
Because the whole, whole, world, world

[Chorus (overlaps Andre's last line)]

[Killer Mike]  
Player I grind, my focus is crime  
Raw with the rhyme, I'm slick with the slime  
My words are diamonds dug out a mine  
Spit 'em, polish, look how they shine  
Glitter, glisten, gloss, floss  
I catch a beat runnin like Randy Moss  
Ride dat bitch off like a brand new horse  
I'm rollin my stone, gatherin no moss  
Mami I'm comin I hope you get off  
Or rock your own boat like Aaliyah then talk  
Back, back, forth, forth  
Get that sailor on course, course  
Make that track a corpse, corpse  
Rap, roll, utterly rocked  
with my mouth to the mic and my hand on my cock  
Cadillac OutKast just won't stop

[Chorus]

[Big Boi]  
Turn on the TV and everything is lookin dismal  
Went in the bathroom medicine cabinet Pepto-Bismal  
Need it for my stomach cause my tummy kinda aches  
like a junkie on withdrawal, fresh up off the plate  
Wait, back to the enemy of the state  
is the Republicans or Democratic candidate  
Debate, now even the black box hold the fate  
Clueless like Shaggy and Scooby befo' commercial  
break  
Hate, extreme prejudice, let's dismiss this  
If you want to you can dub it to your hit list  
I know you gon' to, we in this to replenish yo' musical  
wish list  
When it come to this music we stay relentless  
Pursuing all that's persuuable  
Doing God's willing all things that are doable  
The only liable limitation is yourself Dre set it on the  
right and I'll set it on the left, cause [Chorus]
