{Operatin' under the crooked American system too
long
OutKast, pronounced out cast
Adjective meaning homeless, or unaccepted in society
But let's look deeper than that
Are you an OutKast?
If you understand and feel the basic principles and
Fundamental truths contained within this muzik, you
probably are
If you think it's all about pimpin' hoes and slammin'
Cadillac do's
You probably a cracker, or a nigga that think he a
cracker
Or maybe just don't understand }

{An OutKast is someone
Who is not considered to be part of the normal world
He is looked at differently
He is not accepted because of his clothes, his hair
His occupation, his beliefs or his skin color
Now look at yourself
Are you an OutKast? I know I am
As a matter of fact, fuck being anything else
It's only so much time left in this crazy world
Wake up niggaz and realize what's goin' on around you
Poisonin' of the food and water, tamperin' of cigarettes
Disease engineering control over your life
Take back your existence or die like a punk
This is Big Rube, sayin' right on to the real, and death
to the fakers
Peace out }
