Every boy and girl, woman to man
When you feel you've done about the best you can
Muthafuck the wagon, come join the band
Vibrate, vibrate, higher

Every boy and girl, woman to man
When you feel you've done about the best you can
Muthafuck the wagon, come join the band
Vibrate, vibrate, higher

Every boy and girl, woman to man
When you feel you've done about the best you can
Muthafuck the wagon, come join the band
Vibrate, vibrate, higher

Every boy and girl, woman to man
When you feel you've done about the best you can
Muthafuck the wagon, come join the band
Vibrate, vibrate, higher

Sometimes when it's late
When it's late at night
And you have no one to talk to
Here's what you don'

You go through that raggedy
Cell phone 'bout two or three times
Tracy ain't home, Tina ain't home
The love below start talkin' to ya

Every boy and girl, woman to man
When you feel you've done about the best you can
Muthafuck the wagon, come join the band
Vibrate, vibrate, higher

Every boy and girl, woman to man
When you feel you've done about the best you can
Muthafuck the wagon, come join the band
Vibrate, vibrate, higher

The circumcision has already begun
Desensitizing the very thing or thang that brought

You into this motherfucker in the first place
And when I say "Motherfucker" I do mean
"Motherfucker"
Because Mother Earth is dying and we continue to fuck
her to death
Play with your own score sheet, become the master of
your own bastion
And yes, God is watching you, but no need to be
embarrassed
For the future is in your hands, no the future is in your
hand
Play with your own score sheet

Every boy and girl, woman to man
When you feel you've done about the best you can
Muthafuck the wagon, come join the band
Vibrate, vibrate, higher

Every boy and girl, woman to man
When you feel you've done about the best you can
Muthafuck the wagon, come join the band
Vibrate, vibrate, higher

Every boy and girl, woman to man
When you feel you've done about the best you can
Muthafuck the wagon, come join the band
Vibrate, vibrate, higher
