*[Verse One: Big Boi]*

In the zone like Keyser Soze, always the Usual Suspect  
No check, all I got in this game is my respect  
and Southern pride I be, checkin my fuckin head  
Scared, lookin up in your face, boi I see dead  
If you test like SAT, then I guess that we may be,  
enemies  
In the P's freestyles be freebies  
I be that wrong nigga to fuck with, wouldn't I  
Wouldn't I be the wrong one to try, never eating  
chicken thighs  
Only the twenty piece mojo, flow zone like Flo Jo  
I wanted to figure out, just how low could yo' hoe go  
The beat hit like Beat Street, Krush Groove and Breakin  
Never bakin, rebukin Satan, we had you waitin  
For the Second Coming funny how time flies when  
you're rhymin  
La-Fa-Ce records, I think they got that perfect timin  
to be doper than Sadaam believe the Nation of Islam  
Fuck the police and the dogs, sniffin that dope up out  
your car  
I think they overstep they boundaries  
O.J., not guilty, that's how they found he  
*[Verse Two: Andre]*

I felt the pressure like sun shinin, while raining at the  
same time  
I kept on rhymin, not complainin  
Storm bringing cats and dogs my catalog be the size of  
golf balls  
Throw up your Daisy Dukes I'm Hazzard-ous to all you  
Boss Hoggs  
And Roscoe P. Col' people, who could boost my  
locomotive  
But enough of that everyone can rap unless they ain't  
supposed ta  
I use my gift of gab to boast and brag in every rhyme I  
compose won't y'all get sick of that, cause I know I do  
when I hear those  
Flows that ain't hip-hop, you find that shit in the gift  
shop

But to each his own, my speech is gon', keep that shit  
up outta my zone  
Long as you happy then I'm happy  
Even if you just hate my fuckin guts go 'head and dap  
me  
Cause I'm gon' dap you anyway and then go home and  
pray for yo' ass later  
Cause we might need you in this war I'm wailin on you  
traitors  
Like that...
