(Big Boi)

Yeah

So fresh so clean

when I step in the booth they scream

like they all tend to cheer (?)

dungeon D-boy here

in effect mode like Who's to Love it? so slow motion

like 3 wheels and triple cheeseburgers ATL coastin (say  
no more!)

but the pimp is one of the coolest but I (pay no more)

been known to rock the big blocks and colorful gay toys  
with the flip-flops, and the silk socks and a Kangol to  
the tip top

I flow hard you drip drop

cleaner than the urine of a two time felons piss test

I'm sitting in some Monte Carlo curse right in the  
headrest

(Bridge)

White Guts

White Wall tires

Floor plush

It's so fire!

Fire meaning breathing like a dragon and it's seeming

There's this one in my stable  
Saville so motherfucking clean  
It's got a soda shade around the mean green  
these youngster have never seen  
it has a signature wood grain steering wheel such as  
yours  
but oh my God what are harder are the hard wood  
floors  
it's not coincidental all the glass was kept clear  
who's worried his or her first shit it's freezing it here  
the only heat is my piece to make it even at least  
I'll go to work without even catching a crack in my  
crease  
I guess the dubs out there do what they 'posed to do  
I'll ride 15mph to make a believers out of you
