The path is rough the front is far
And I'm going there on forced march
The rage's so high that covers pain
They'll know my might before be slain
I will make it without a scar
Beyond the red zone on the chart
'cause I've a gun in search for fame
And my friend death who's never late
They'll die without any pain
I kown I'm insane
But life's too short to...
To be wasted
I'm on a quest for fame
And so I'm goin'
On a forced... march
On a forced... march
On a forced... march
The path is rough the front is far
But I'm still going on forced march
Yes, it's the war the life I chose
And all I know is I can't lose
I won't be late to the date
I am heading straight to my fate
I know it's not such a just cause
But I will get the damn job done
I will make it without a scar
Beyond the red zone on the chart
'cause I've a gun in search for fame
And my friend death who's never late
They'll die without any pain
I kown I'm insane
But life's too short to...
To be wasted
I'm on a quest for fame
And so I'm goin'
On a forced... march
On a forced... march
On a forced... march
Yeah, I'm insane
But I am going
On a forced... march

On a forced... march
On a forced... march
