Girl in love dressed in white  
Crying crying on her wedding night  
The gown of lace hung on a chair  
The pretty gown shell never wear  
Never wear  
There were no vows no vows today  
Her lover her lover is far away  
The chapel bells will never ring  
Of her love or a wedding ring  
Wedding ring  
Vows so tender never never said  
Only tears to fill her heart instead  
Her gown of lace hung on a chair  
Her love last night was sitting there  
The pretty gown shell never wear  
Her love left her standing there  
Standing there
