come on and take me by the hand and show.  
take me to a place where i can see.  
where there's no darkness to surround me.  
a place where time stands still for you and me.  
this love i feel inside will last tillthis world crumbles  
and i will love you from now on.  
i will love the way you look at me,  
the way you look into my eyes,and show me  
everythings all right.  
across these waters that has come between us,  
my heart beats fast,  
and my knees are getting weaker.  
every thought i have is of you.  
give me just one more thought of you.
