So go ahead and be dramatic, Use your strongest words Against me, (Go ahead and use) All words have lost their meaning Anyway. (Would you take it all back?)

I saw your true colors Like the Ghost of my, Lost love of life.

Leave me blood; an entire sea! x4 But Seriously,

How dare you, how dare you threaten me. You: Leave me blood on entire sea. x2

But keep your fingers off the scale, This is your fault as Well. You're like a priest so scared of hell, That you'll preach anything You're told to a hungry crowd. You took something from me that I wont get Back. But second chances come so easily.

GIVE ME BLOOD AN ENTIRE SEA

I saw your true colors Like a Ghost of my, Lost love of life. Love of life. Love of life. But seriously, Is this the best you can do, to fix yourself up into living what you call a Happy life?
