Slaughter in your sight
Fear you feel inside
Useless existence
Senseless violence

Tribal attitude
Dirty neighborhood
Bullet in your gun
Killing's just for fun

Felony, cruelty
Poverty, misery
Genocide, submission
Prejudice, injustice

No food, no home
No smile, no peace

Tragedies, terrorism
Minds don't grow
Hate and sow

Brutal scenes
No one speaks
Mortal needs
No one hears

No love, no law
No faith, no pride
