The alarm is ringing and I got to wake up
Another day - Another day - Another...
Get the bread - Take the bus - Get off and sign in
A lot of work - A lot of work - A lot of...

Do this, do that
Don't you complain?

Shut up - Obey
Your sweat is mine
Hard day - Hard life
Hard to survive
Each day I die to keep my family's keep

Die - Die - Die - Die
Die for a plate of food
Die for a place to live
Die for an old shoe
Die for my family to feed

[Chorus:]
You got my work
You got my soul
What else can you steal from my misery?
Yeah!
You want my pride!
Die
Do you want my life?

After work I can't be a man in my bed
I can't afford to be alive nor to be dead
I can't give health or education to my young
Or protect us all from the rain or from the sun

System controlled
I can't complain
Shut up - Obey!
Calm down your rage
You're just one piece lost in this game
Yet you're lucky to be still employed

Die - Die - Die - Die

Die for the right of being
Die for my life to live
Die doing only what's right
Die to keep my honesty

[Chorus (x2)]
