See that beggar sittin' there  
All alone, a solitaire  
But some day, one day  
He was a rich man

Hazy eyes, his mind runs fast  
To remind him of the past  
Some day, one day  
He was a millionaire

You were born with a silver spoon  
And they taught you everything they knew  
"hey son, c'mon! kiss your daddy and get your greenie  
Bucks"  
Oh, what a profitable childhood!

[Chorus:]

You made it once now you want it twice  
You heart of stone, stone cold as ice  
You only lived for a profit ( profit )  
You always gambled with your life  
You took the chance, now you pay the price  
You only lived for a profit ( profit )

You were the king as you paid you ruled  
An empire built with the faith of fools  
But some day, one day  
You knew you had to loose

Your lying words were somebody's truth  
And your full pockets were another's food  
Now today's the day  
The time has come for you

Yeah, it has come for you to pay your debts  
And now you know they're not few  
Hey you, you fool! the wheel of fortune rolled  
Fast against you  
Now you'll die hungry and poor

[Chorus]
