Cry For The Children Who Live Far From You  
Cry For The Heroes Who Died Without You  
Cry For Their Lives!  
Cry For All Those Who Cried For You Before  
They Spent Their Lives Trying To Find You  
In Love. Cry For Their Lives!  
Freedom! Your The One That Kills The Night  
Freedom! Your The One Who Leaves Us Just  
Before We Think We're Not Alone  
Freedom Where's Your Heart?  
When We're Lost Where's Your Love?

Where's Your Warm When All We Feel  
Is Cold  
Can't Wait Anymore, Your Promises Are Gone  
Now We Know We're Not Your Sons  
Our Make Up's Melting Now.  
Our Smile Is Breaking Down  
Behind Our Beauty We're Alone  
Freedom! Your The One That Kills The Night  
Freedom! Your The One Who Lies Us Just  
Before We Think We Think Your Word's Our Hope.
