Images In The Mirror, They're Not You At All  
A Face Lost Far Away, Two Eyes That Cannot See  
You're Not You, You Will Never Be You Again  
You're Not You, You Will Never Love Again  
He Was Your Only One In Your Life  
I Was Always Hidden By His Light  
He Was Your Only One But Someday He Stole  
Your Body And Your Poor Life  
I'll Be There When You Feel Alone  
I'll Be There When There's Nobody Else  
I'll Be There When The White Turns Black  
I'll Be There When The Rain Hits Hard  
Inside Your Heart  
Tears Under Your Eyes Wash Your Innocent Face

Scars In Your Heart Make You Feel Dirty & Grey  
Stand By Me, Look For Me Always By Your Side  
Stand By Me, Look For Me Always In The Dark  
When You Smile, When You Cry I'll Be There  
You Must Know My Life's Yours Anywhere  
When You Win, When You Loose I'll Stand There  
In The Shadow Trying To Stop The Rain  
I'll Be There When The Fire Burns  
I'll Be There When The Glory Is Left  
I'll Be There When You Close Your Eyes  
I'll Be There In The Shadow, Always By Your Side
