

# Overlife "Sleepers"

Visit "[Sleepers](#)" on MotoLyrics.com

Cry, Don't Be Afraid To Cry Cos Your Child's  
Broken Heart Wasn't Made To Be So Hard  
Time, Take The Time In Your Hands  
Hold It With The Hope You Can Stop It  
Before Tonight Cos The Night, The Night Steals Your  
Soul  
Everynight They Laugh While They Make  
Your Heart Bleed To Death  
But Someday You'll Be Free  
And You'll Have Your Revenge  
Until Then Keep The Faith  
Close Your Eyes, Say Your Prays  
Keep The Faith, Say Your Prays  
Keep The Faith, Say Your Prays  
Your Heart Is Bleeding, Nobody Cares  
Your Mind's Just Trying To Sleep  
Sleepers Can Resist The Pain  
Sleepers Know What Is The Hate

They Just Want To Sleep Tonight  
And No One Come To Bed  
Sleepers Know They Cannot Love  
Sleepers Know The Door Is Closed  
They Just Want To Sleep Tonight  
And Not To Feel Their Sweat  
They Are The Sleepers  
Sleepers! Live Alone Sleepers!  
Your Only Chance Is To Follow The  
Steps Of Your Heart  
Dreams, Their Faces In Your Dreams  
The Smile That Will Live In Your Mind  
For All The Years  
Drunk, They Are Always Drunk  
You Swear To Yourself One Day You  
Will Kill Those Men  
You Know Hell's Kitchen Small  
And There'll Be No Place  
Where They Can Live On
