Hell hath no fury  
Like a craving women denied  
She'll breach your defenses  
And then burn you alive

Hell Hath No Fury!  
You can't run you can't hide  
Hell Hath No Fury!  
In the eye of the storm you will fall

You can't escape it  
If you're caught  
You'll never return  
Cause she's out to get you  
In the end, her wrath will descend

Hell Hath No Fury!  
You can't run you can't hide  
Hell Hath No Fury!  
In the eye of the storm you will fall

So beware, and heed they call  
In the night, fight with all  
Of your might, and you may withstand  
Strength tonight, it's in your hand

Hell Hath No Fury!  
You can't run you can't hide  
Hell Hath No Fury!  
In the eye of the storm you will fall  
Hell Hath No Fury!  
You can't run you can't hide  
Hell Hath No Fury!
