I come to your door to see you again  
But where you once stood was an old man instead  
I asked where you'd be  
He said "She's moved on you see  
All I have is a number, you'd better ask her not me"  
So I picked up the phone and dialled your number  
Not sure to put it down or speak  
Then a voice I once knew  
Answered in a sweet voice she said "Hello"  
Then paused before I began to speak  
Babe, I'm here again, I tell you I'm here again  
Where have you been?  
Babe, I'm back again, I tell you I'm back again  
Where have you been?  
You held your voice well, there were tears I could tell  
But where wee you now? Was you gonna tell me in  
time?  
Just give me a town and I'll be straight down  
I've got so much to tell you about where I have been  
As I walk down your road, can't wait to be near you  
I can't keep the feeling in inside

As I stand at your door

You answer in a sweet voice you say "Hello"

Then pause before I begin to speak

Babe, I'm here again, I tell you I'm here again

Where have you been?

Babe, I'm back again, I tell you I'm back again

Where have you been?

As I looked away I saw a face behind you

A little boy stood at your door

And as I looked again I saw his face was shining

He had my eyes, he had my smile

Babe, I'm back again, I tell you I'm back again

I'll be beneath of you

Babe, please take me back, take me back

Back home again

Babe, please hold me close, hold me close

Like you used to do

Babe, just me and you, you and me
