Sleep peacefully now my child
I hope that you go away
To a place where your dreams can Play
Wipe all the tears from your eyes
There is a sky of blue
This is your time of truth
Like a bird high on the wind
May you fly away
Like a snowfall in the spring
May your cares melt away
Child, innocent child
Our hope lies inside, your starry eyes
My innocent child
Hero now that you are free
You have no need to fear
So go out and find your smile
Like a candle in the stream
May you float away
Like a feather on the breeze
May you blow away
Child, innocent child
Our hope lies inside, your starry eyes
My innocent child
Like a candle
Like a snowfall
Like a feather
Like a bird, fly away
Like a candle
Like a snowfall
Like a feather
Like a bird, fly away
Child, innocent child
My innocent child
Child, innocent child
Fly away
Child, innocent child
My innocent child
Fly away
Sleep peacefully now my child
I hope that you go away
To a place where your dreams can play
