Take my hand
I'll teach you to dance
I'll spin you around
Won't let you fall down

Would you let me lead
You can step on my feet
Give it a try
It'll be all right

The rooms hush, hush
And now's our moment
Take it in, feel it all, and hold it
Eyes on you, eyes on me
We're doing this right

Cause lovers dance when they're feeling in love
Spotlight shining, its all about us
its all about us
And every heart in the room will melt
This is a feeling I've never felt
but its all about us

Suddenly, I'm feeling brave
Don't know whats gotten into me
Why I feel this way
Can we dance, real slow
Can I hold you, Can I hold you close

The rooms hush, hush
And now's our moment
Take it in, feel it all, and hold it
Eyes on you, eyes on me
We're doing this right

Cause lovers dance when they're feeling in love
Spotlight shining, its all about us
its all about us
And every heart in the room will melt
This is a feeling I've never felt
but its all about us

Do you hear that love,
they're playing our song
Do you think we're ready,
oh I'm really feeling it
Do you hear that love,
Do you hear that love
(repeat 3 times)

lovers dance when they're feeling in love
Spotlight shining, its all about us
its all
And every heart in the room will melt
This is a feeling I've never felt
but its all about us

Cause lovers dance when they're feeling in love
Spotlight shining, its all about us
its all about us
And every heart in the room will melt
This is a feeling I've never felt
but its all, all about us.
