verse 1: there's a calm surrender to the rush of day
when the heat of the rolling wind can't be turned away
And enchanted moment and he sees me through
it's enough for this restless warrior just to be with you
Chorus: And can you feel the love tonight
It is where we are
It's enough for this wide eyed wanderer
That we'd got this far
A can you feel the love tonight
How it's laid to rest
it's enough to make kings and Vegabonds
Believe their very best

Verse 2: there's a time for everyone
If they only learned
That the twist in Kelidoscope
Moves us all in turn
there's a rhyme and reason to the wild outdoors
when the heart of this star cross voyeger
beat in time with yours
(chorus)
It's enough to make kings and vegabonds
Believe their very best
