(Dear Vienna)

I regarded the world as such a sad sight  
Until I viewed it in black and white  
Then I reviewed every frame and basic shape  
And sealed the exits with caution tape

(Dear Vienna)

Don't refocus your eyes in the darkness  
And don't remember this place unless  
I describe all the things that you cannot see  
And we'll unravel the mystery

Farewell

All my friends  
In textbooks  
I'm going home  
'Cause my blood cells  
Cannot depend  
On the weather  
In photographs

There's a light show  
Out my window  
Somewhere  
Way up there

Dear Vienna, are you singing?  
Dear Vienna, are you swinging?  
Dear Vienna, we were happy like the shades of May  
When we got carried away

(Dear Vienna)

Don't refocus your eyes in the darkness  
And don't remember this place unless  
I describe all the things that you cannot see  
And we'll unravel the mystery

(Dear Vienna)

I was so far out of place  
Watching those stars in outer space  
'Cause I am so far  
From where you are

There's a light show  
(There's a light show)  
Out my window  
(Out my window)  
Somewhere  
(Somewhere)  
Way up there  
(Way up there)

Dear Vienna, are you singing?  
Dear Vienna, are you swinging?  
Dear Vienna, we were happy like the shades of May  
When we got carried away
