(Dementia you're driving me crazy, this is driving me
crazy, dementia dementia)

Every light in the night flicker in and out
Every bone in my back shiver up and down
Keep the pace just in case all the magic dies
Cause this is drivin' me crazy
Every voice in my head shouted yes and no
Every freight train in my head make it stop and go
Keep the pace just in case all the magic dies
Cause this is drivin' me crazy

Big surprise all the ghosts keep it out of sight
Rub your eyes you're a star in a summer night
This is love this is war it's insanity
Dementia you're drivin' me crazy
(Dementia, Dementia you're drivin' me crazy, this is
drivin' me crazy)

Every tear in my eyes dripped but wouldn't drop
Every disc in my spine shook but couldn't stop
Keep the pace just in case all the magic dies
Cause this is drivin' me crazy
Every hand let me go that I tried to hold
Every warm hearted love left me freezing cold
Keep the pace just in case all the magic dies
Cause this is drivin' me crazy

Big surprise all the ghosts keep it out of sight
Rub your eyes you're a star in a summer night
This is love this is war it's insanity
Dementia you're drivin' me crazy
(Dementia you're drivin' me crazy)
(Dementia you're drivin' me crazy)
This is drivin' me crazy
(You're drivin me crazy)
Cause this is drivin me crazy

Big surprise all the ghosts keep it out of sight
Rub your eyes you're a star in a summer night
This is love this is war it's insanity
Dementia dementia

Through the skies you unravel at the speed of light
To realize there's chaos in the air tonight
This is love this is war this is pure insanity
Dementia you're drivin' me crazy
This is drivin' me crazy
Dementia you're drivin' me crazy
Cause this is drivin' me crazy
Dementia you're driving me crazy
(This is drivin' me crazy...)
(This is drivin' me crazy...)
(This is drivin' me crazy...)
(Dementia... Dementia...)
