We, were alone, on the road, driving faster
So, far from home, we were chasing disaster
Pour, on the gas, til the car, caught on fire
We, had to laugh, as the smoke, billowed higher

I wanna feel alive forever after
And you say, you say you wanna feel alive forever after
And I, and I, and I say
Fo-o-ollow the li-i-ine through the dreams and disasters
Fo-o-ollow the li-i-ine to the edge and the after
We won't turn around
We will not slow down
Fo-o-ollow the li-i-ine through the dreams and disasters

Think, of the sun, and the sound, of it rising
Still, on the run, with our eyes on the horizon

I wanna feel alive forever after
And you say, you say you wanna feel alive forever after
And I, and I, and I say
Fo-o-ollow the li-i-ine to the dreams and disasters
Fo-o-ollow the li-i-ine to the edge and the after
We won't turn around
We will not slow down
Fo-o-ollow the li-i-ine to the dreams and disasters

I just wanna feel alive

I just wanna feel alive

I just wanna feel alive

I just wanna feel alive

I just wanna feel alive

Fo-o-ollow the li-i-ine through the dreams and disasters
Fo-o-ollow the li-i-ine to the edge and the after
We won't turn around
We will not slow down
Fo-o-ollow the li-i-ine through the dreams and disasters
