Splash down in the silver screen
Into a deep dramatic scene
I swim through the theater
Or maybe I'm just a dreamer

Like a kite in the bright midday
Wonder stole my breath away
Shy sonata for Mercury
The stars always sing so pretty

This picnic will soon depart
Real life, I'm sad to see you go
I'll miss you with all my heart
But I'd rather be alone

'Cause I couldn't live without
Sunsets that dazzle in the dusk
So I'll drag the anchor up and rest assured
'Cause dreams don't turn to dust
Dreams don't turn to dust

I made for the countryside
And my eyes never grew so wide
Apple raspberry river blue
I don't wanna leave without you

In the sound I gladly drowned
Into the emerald underground
I rub my eyes 'cause it's hard to see
Surrounded by all this beauty

This picnic will soon depart
Real life, I'm sad to see you go
I'll miss you with all my heart
But I'd rather be alone

'Cause I couldn't live without
Sunsets that dazzle in the dusk
So I'll drag the anchor up and rest assured
'Cause dreams don't turn to dust

I'm sad to see you go

But I'd rather be alone

When tiger eyes begin making you blush
And when diamonds boast
That they can't be crushed
Let them go 'cause dreams don't turn to dust

This picnic will soon depart
Real life, I'm sad to see you go
I'll miss you with all my heart
But I'd rather be alone

'Cause I couldn't live without
Sunsets that dazzle in the dusk
So I'll drag the anchor up and rest assured
'Cause dreams don't turn to dust
Dreams don't turn to dust
Dreams don't turn to dust

I'll rest assured
'Cause dreams don't turn to dust
