(Here's hope)
(Here's hope)
(Here's hope)

Everywhere everybody needs a neighbour
Showing up when times get hard
But there's friends of sons and daughters
Saying grace without supper in your backyard
Who doesn't wanna be a hero?
At least a little bit of helpin' out
There's some things you're never gonna help or
change
But hunger's somethin' we can turn around

Here's hope (here's hope)
Showin' up at your front door
Here's hope (here's hope)
Yeah what everybody's looking for
Here's your one chance to make a difference
Here's your one choice to give a helping hand
There's room at the table for more
Yeah here's hope
Yeah here's hope

There's a small-town girl in third grade
Makin' sure her sisters get enough
She sees her mama working two jobs worrying and
crying,
Doing everything but giving up
If a miracle's a gift when you need it
Then it's time for stepping in
Here's to families and kids, where ever you live
Never ever wondering again

Here's hope (here's hope)
Showin' up at your front door
Here's hope (here's hope)
Yeah what everybody's looking for
Here's your one chance to make a difference
Here's your one choice to give a helping hand
There's room at the table for more
Yeah here's hope

Here's to going to bed not hungry
Here's to changing the story
Here's to bigger hearts and brighter days
Let me hear you sing it for me
Let me hear you sing it for me

Here's hope (here's hope)
Showin' up at your front door
Here's hope (here's hope)
Yeah what everybody's looking for
Here's your one chance to make a difference
Here's your one choice to give a helping hand
There's room at the table for more
Yeah here's hope (here's hope)
Yeah here's hope (here's hope)

Yeah here's hope (here's hope (yeah here's hope))
Yeah here's hope (here's hope (yeah here's hope))
Yeah here's hope
