I saw your face in a criminal sketch,  
Don't be alarmed 'cause you don't know me yet.  
I'm on the prowl now, sniffing around this town, for you.

Calling all cars there's an officer down,  
Shot to the heart, on a night on the town.  
And, the evidence of your fingerprints was found, and  
now.

You've got the right to remain right here with me,  
I'm on your tail in a hot pursuit.  
Love is a high-speed chase racing down the street.  
(Woo-woo-woo)  
I'm coming after you.  
(Woo-woo-woo)  
I'm coming after you.  
(Woo-woo-woo)  
I'm coming after you.

Oh no, here we go once again,  
We both know you'll never turn yourself in.  
So I'm driving 'till it's light out, searching for your  
hideout.  
(Driving 'till it's light out, searching for your hideout)

Pick up the pace as I chase you around,  
One of these days I'll end up tracking you down, but  
yeah,  
I got the feeling I'll be letting you loose when I do.

(Because you)  
You've got the right to remain right here with me,  
I'm on your tail in a hot pursuit.  
Love is a high-speed chase, racing down the street.  
(Woo-woo-woo)  
I'm coming after you.
