Ladies and gentlemen  
Today is a day for mourning and remembering  
They had a hunger to explore  
The universe and discover its truths

And they had that special grace  
That special spirit that says  
"Give me a challenge, and I'll meet it with joy"

The crew of the Space Shuttle Challenger  
Honored us by the manner  
In which they lived their lives

We will never forget them  
As they prepared for their journey and waved goodbye  
And slipped the surly bonds of earth  
To touch the face of God
